SHAKESPEARE BALL WILL BE HELD THURSDAY NIGHT

Mr. and Mrs. John Skelton Williams to Lead the Grand March.

ONLY GOOD WEATHER NEEDED

Every Detail Is in Readiness for Great Open-Air Production in Memory of the Bard of Avon. Large Crowds Expected.

Queen Elizabeth and her ladies in waiting will attend the Shakespeare ball in costume on Thursday night. No invitations have been issued for the ball, which is to be a civic affair. It will be held in the auditorium of the Jefferson Hotel beginning at 9 o'clock, and the pageant committee requests those who expect to attend to notify members of the ball committee, or the Jefferson Hotel, as soon as possible, so that provision may be made for the proper number.

Costumes of the Elizabethan period will not be required of all those attending the ball, though those taking part in the pageant that afternoon will appear in costume. The ceremony will be presided over by Mrs. John Skelton Williams, who, as Queen Elizabeth, with her ladies and court, will take a prominent part in the pageant festivities.

Comptroller of the Currency and Mrs. Williams will lead the grand march, and nearly all of the dancers will wear Shakespearean costumes. Miss Helen Christian is chairman of the ball, assisted by Mrs. Williams, Mrs. St. George Bryan, Mrs. Egbert C. Leigh, Jr., Mrs. William R. Trigg, Jr. and Mrs. Fred Scott Campbell. Some of the court dances will be given at the ball, and society from a vision of tourney and play of the afternoon, will enter delightfully into the spirit of the whole affair.

Plans have been made for this ball that have far exceeded anything of its kind ever given in Richmond, and the belles and wits of a rare and wonderful age will live again for a night within the vision and ken of mere everyday folk.

ONLY GOOD WEATHER

NEEDED TO INSURE SUCCESS
Only good weather is needed to insure the success of the outdoor features of the pageant, which is to occur on the campus of Richmond College on Thursday and Friday of this week. The only detail which is giving concern is the transportation, and the committee is at work arranging for lines of motor cars and providing special means for transporting those who wish to take part in the scenic production. Provision will be made at the grounds for parking automobiles, and those who do not come in their own cars are advised to make an early start, as it is admitted that the street car company will be unable on its single track line to handle the entire crowd.

Should there be rain on either day, the pageant will be postponed to the first clear day following, as good weather is essential for the successful presentation of such an open-air production.

THE GOVERNMENT AT WORK

DO you know how the United States government, the greatest single organization of the kind on earth, conducts the stupendous enterprise in which you are an equal partner? Do you know how half a million officers of the Federal government each year collect and expend a billion dollars of your money on your account and in your behalf?

If you wish to know all about these things, get a copy of the patriotic book, "The American Government," by Frederic J. Haskin, now being distributed by the TIMES-DISPATCH at a nominal price. Its facts are vouched for by the highest officials in the government and its interest is attested by hundreds of thousands of readers.

This is the book that shows Uncle Sam at work: how he does all sorts of things, from constructing battleships to building scales that will turn with the weight of a millionth part of a grain; from conducting the affairs of international diplomacy to making maps; from coining money to delivering mail; from feeding hogs to making thermometers that will register the heat of a man's face five miles away.

It is a book full of solid information, but there isn't a dull page in it. See the coupon on page 2 in this issue for details of how to get this book.
